

## CERTIFICATE OF COMPLIANCE- EU RoHS Declaration

Subject: Recast RoHS 2011/65/EU

In June, 2011, the European Union adopted the Recast RoHS Directive, repealing the original RoHS directive 2002/95/EC which has regulated hazardous substances (Pb, Hg, Cd, Cr(VI), PBB and PBDE) in new electrical and electronic equipment since June 2006. Recast RoHS continues the restriction of these six substances.

Banner Engineering products are compliant with the regulations described by the Recast RoHS 2011/65/EU Directive.

Sincerely,

A handwritten signature in cursive script, appearing to read "Valerie Miller".

Valerie Miller
